President's Message

By Drew Sones

Hello Lions from the beautiful but cold Central Valley,

I am just returning from the MD 4 Convention where Lions from all over California gathered to learn and celebrate our activities this past year. International President Al Brandel also was in attendance and the entire Convention heard about his experience meeting the Blue Shirts from Whittier Host during his lunch time comments to the Lions in attendance. Saturday night we were honored for our work on the Oralingua Infant Training House and remodel of the playground. While we came in second to another worthwhile Lion Project we had one of the three best in California in 2007-08.

If you missed our Social Event on Friday, you missed a great time with dinner and cocktails at the Villalobos Room on the Whittier College Campus and tail twisting by Frank Hill (Yes, the red umbrella did emerge but was quickly extinguished with a rapid payment of a fine by yours truly to keep it under wraps.) The Broadway Song Revue was great with words and music we all understood and even knew most of the songs.

See you all Thursday for our Annual Student Speakers Contest!!

Lion Drew
